Statement of Substance of Interview

[0003] Examiner Shih graciously talked with me—the undersigned representative for the Applicant—on January 13, 2009. Applicant greatly appreciates the Examiner's willingness to talk. Such willingness is invaluable to both of us in our common goal of an expedited prosecution of this patent application.

[0004] During the interview, I discussed how the claims differed from the cited references. Without conceding the propriety of the rejections and in the interest of expediting prosecution, I also proposed several possible clarifying amendments.

[0005] I understood Examiner Shih to tentatively concur that the propose amendment appeared to overcome the cited references.

[0006] Applicant herein amends the claims consistent with the discussion during the interview. Accordingly, Applicant submits that the pending claims are allowable over the cited art of record for at least the reasons discussed during the interview.
